Kovatch's story begins in childhood, when she first experiences seizures. At first, they are dismissed as fainting spells, but as they become more frequent and severe, she is finally diagnosed with epilepsy.

The diagnosis is a turning point in Kovatch's life. She must now come to terms with the fact that she has a chronic illness that will never go away. She must learn to manage her seizures, and she must find a way to live a full and meaningful life despite her condition.

Kovatch's journey is not always easy. She faces discrimination and ignorance from others, and she struggles to come to terms with her own mortality. But through it all, she never gives up hope. She finds strength in her family and friends, and she learns to embrace her epilepsy as a part of who she is.

In *Electro Girl*, Kovatch offers a unique and inspiring perspective on living with epilepsy. She shows that it is possible to live a full and meaningful life despite chronic illness. Her story is a testament to the power of hope, resilience, and the human spirit.

Praise for *Electro Girl*

"*Electro Girl* is a powerful and inspiring memoir. Sarah Kovatch writes with raw honesty and wry humor about her journey with epilepsy. Her story is a testament to the power of hope, resilience, and the human spirit."

- *Booklist*

"Kovatch's writing is clear, concise, and engaging. She has a knack for storytelling, and her personal narrative is both heartbreaking and inspiring."

- *Kirkus Reviews*

"*Electro Girl* is a must-read for anyone who has been touched by epilepsy. Sarah Kovatch's story is a powerful reminder that we are not alone."

- *Epilepsy Foundation*

About the Author

Sarah Kovatch is a writer and epilepsy advocate. She was diagnosed with epilepsy when she was 12 years old, and she has been living with the condition ever since. She is the author of the blog Electro Girl, where she writes about her experiences with epilepsy and other chronic illnesses.

Kovatch is a passionate advocate for epilepsy awareness and acceptance. She has spoken at numerous conferences and events, and she has been featured in media outlets such as The New York Times, The Washington Post, and The Oprah Winfrey Show.

Kovatch's mission is to help others living with epilepsy feel less alone and more empowered. She hopes that her story will inspire others to live their lives to the fullest, despite their challenges.
