Synopsis

In the gritty and unforgiving streets of New York City, Detective Michael Tanner is on the hunt for a killer who leaves behind a trail of cryptic messages. As he delves deeper into the case, Tanner uncovers a twisted web of secrets, lies, and betrayals that lead him to question everything he thought he knew.

The victims are seemingly random, but as Tanner digs deeper, he discovers a pattern - each victim is connected to a dark past that has come back to haunt them. The killer is playing a deadly game, using the victims' own secrets against them.

With each new victim, the messages left behind become more chilling, and Tanner realizes that he is not just dealing with a murderer, but a psychopath who is determined to exact revenge. As the body count rises, Tanner finds himself in a race against time to stop the killer before they strike again.
