## Meet Percy and His Animal Friends

Percy is a friendly and enthusiastic park ranger who loves exploring the great outdoors with his animal friends. Each animal represents a different

letter of the alphabet, from Ally the Alligator to Zeke the Zebra. As you journey through the park with Percy, you'll encounter each animal and learn about their unique characteristics.

## **Learning the Alphabet Through Rhyme and Play**

Our book uses the power of rhyme and play to make learning the alphabet fun and memorable. Each animal is introduced with a catchy rhyme that highlights its distinct letter sound. For example, "Ally the Alligator, snapping her teeth, her letter 'A' is a breeze to see!" These rhymes engage children's auditory senses, helping them associate letters with sounds.

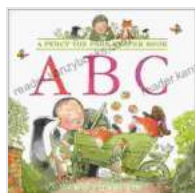

In addition to rhymes, the book also incorporates interactive elements, such as lift-the-flaps and pull-tabs, that allow children to actively participate in the learning process. By lifting flaps to reveal hidden pictures or pulling tabs to hear animal sounds, children develop fine motor skills and strengthen their letter recognition.
