### **Winter's Landscape**

The snow has fallen, soft and white, A blanket covering the land. The trees are bare, their branches bright, Like silver in the winter's hand.

The lake is frozen, still and deep, A mirror reflecting the sky. The wind is whispering secrets to keep, As snowflakes dance and gently fly.

The world is hushed, a winter's dream, A landscape of beauty and peace. The snow-covered earth, a silent gleam, Under a winter moon's release.

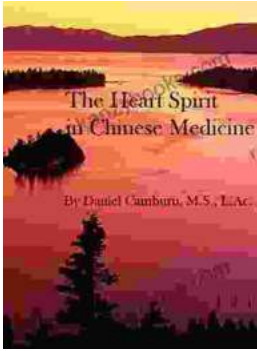

Doe's poetry is sure to inspire and delight readers of all ages. "Let's Look at Winter" is a beautiful and evocative collection that celebrates the beauty and wonder of the coldest season.
