Frequently Asked Questions

Q: What is the difference between fudge and other candies?

A: Fudge is a type of candy that is made with sugar, butter, milk, and flavoring. It is typically cooked to a soft ball stage and then beaten until it becomes thick and creamy. Fudge is different from other candies in that it has a smooth, creamy texture and a rich, buttery flavor.

Q: How do I store fudge?

A: Fudge should be stored in an airtight container in a cool, dry place. It will keep for up to 2 weeks.

Q: Can I use different flavors in my fudge?

A: Yes, you can use different flavors in your fudge. Some popular flavors include chocolate, vanilla, peanut butter, and caramel. You can also add nuts, fruits, or other ingredients to your fudge to create your own unique flavors.
